BIRTHDAYS

Spencer
Sean

Hello February!

End of Marking Period

The marking period ended on January 27th. Report cards will be sent home on Friday, February 3rd. Please review your child's progress, sign the envelope, and return it with your child by Monday, February 6th. Included in the report card envelope you will find a goal setting agreement. Please review and discuss your child's goals, and sign and return the agreement.

Science Fair

Science fair board orders are due on Tuesday, January 31st. Students should be working on their project and following the timeline in the packet.

New Lunch Program

Chatfield will be participating in a trail lunch program through Chart wells. Students received a menu.

Parent Teacher Conferences

Parent teacher conferences are offered to students who have grades below a C. If you would like to schedule a conference with Mr. Kurtz (810) 538-1730 or Mrs. Block (810) 538-1731 feel free to contact us through email or phone.

E-readers

E-readers have been approved as a Middle School tool for reading. Students that have a tablet may use them in school ONLY for reading purposes (no internet/gaming).

Please sign and return permission slips to homeroom

teachers if you would like to use your E-reader at school. Chatfield is not responsible for damaged or lost tablet devices.

Washington D.C.

Washington D.C. payments for the month of January are due. Please submit your payment if you have not already done so.

This week's itinerary

ELA

Students will continue reading *Hamlet*. Students will continue working with the parts of speech in grammar.

Social Studies

We are starting to learn about Afghanistan, Pakistan, and Bangladesh. Vocabulary and section 1 packet are due on Wednesday.

Science

Students will investigate phase changes through hands on group experiments.
