## Bierbusse/Wolinski 6th Grade News

### FINAL EXAMS

It's not too early to start preparing for final exams. They are scheduled for June 11th and 12th. All students received review sheets to guide their study sessions. In class, we have been discussing study skills that students could start utilizing now to review important content. The exam schedule is below.

**June 11 - ELA and Science**

**June 12 - Math and Social Studies**

### CAMP LAEL CELEBRATION

On Tuesday, June 5th the fifth and sixth grade will visit Camp Lael to celebrate our hard work and bridge the gap between elementary school and middle school. Please consider helping us out with a snack donation by visiting the link below...

### LAPTOP COLLECTION

On Tuesday, June 12th we will be collecting all student laptops for the summer. Students will need to turn in their laptop, charger, and bag. The laptops will be serviced over the summer and returned to students before the start of the school year.

### SUMMER READING...

Students will be meeting with the 7th grade teachers to discuss their summer reading projects this week.

**We are still in need of volunteers and food items for Olympics.  
PLEASE SEE PAGE 2**

### THANK YOU!!!

★ We would like to thank all of the amazing chaperones who attended the Pictured Rocks trip! It was an incredible trip and it wouldn't have been possible without all of the help. Thank you!

### Upcoming Events:

Donuts with Dad: June 7

Olympics XXI : June 8

CMS Final Exams: June 11 & 12

Pride and Honors Night: June 12

## CHATFIELD OLYMPICS - June 8

The sixth grade is representing the islands of the Caribbean for the Olympic festivities.

- The CMS games for Olympic day are based on the Tribal War theme and each homeroom competes against one another. The Bierbusse Tribe color is pink and the Wolinski Tribe color is turquoise. We will be providing students with t-shirts to wear.
- Please sign up to help using the Sign Up Genius link below! We are in need of several items for our food table and parent volunteers to set-up and serve during lunch. Thank you in advance for your support.

## Classroom Corner

**MATH:** Each day your child will receive a math assignment. Please check your child's classroom calendar to stay informed on what lesson your child is completing.

**SOCIAL STUDIES:** In Social Studies, sixth graders will continue to examine the five themes of geography: Location, Place, Movement (of people and goods), Human-Environment Interaction and Regions. Students will finish the year by studying culture in the Western Hemisphere.

**SCIENCE:** In Science, students will begin learning about weather and climate. Throughout this unit, students will learn the similarities and differences between weather and climate and look closely at the effects that the ocean has on both. They are also expected to know about the atmosphere, geosphere, and hydrosphere as they relate to weather and climate.

**ENGLISH LANGUAGE ARTS:** We will continue reading the novel Tangerine by Edward Bloor in book club. There will not be a vocabulary test on Friday.
