## Bierbusse/Wolinski 6th Grade News

### OLYMPICS

The sixth grade is representing The Caribbean for the Olympic festivities.

- The CMS games for Olympic day are based on the Tribal War theme and each homeroom competes against one another. The Bierbusse Tribe color is pink and the Wolinski Tribe color is turquoise. We will be providing students with t-shirts to wear.
- We are in need of several items for our food table and parent volunteers to set-up and serve during lunch. We will send a link for Sign-Up Genius later this week. Thank you in advance for your support.

### 6TH GRADE TESTING

We will finish testing this week. Please help your child by making sure that they are well-rested and have had a good breakfast on testing days. Thank you for your support.

**May 16 - NWEA (Math)**

### PICTURED ROCKS

Please make sure to return the forms that were passed out at the meeting for Pictured Rocks as soon as possible.

### PROGRESS REPORTS

Last Friday, progress reports were sent home. Please sign and return the report by Tuesday, May 15, 2018. If you have any questions, please let us know. Thank you.

### CAMP LAEL CELEBRATION

On Tuesday, June 5th the fifth and sixth grade will visit Camp Lael to celebrate our hard work and bridge the gap between elementary school and middle school. Please return the permission slip ASAP.

## CMS Final Exams

It's not too early to start preparing for final exams. They are scheduled for June 11th and 12th. All students will receive review sheets this week to guide their study sessions. In class, we have been discussing study skills that students could start utilizing now to review important content. The exam schedule is below.

**June 11**

**ELA and Science**

**June 12**

**Math and Social Studies**

**15 DAYS UNTIL  
OUR PICTURED  
ROCKS TRIP**

## *Classroom Corner*

**MATH:** Each day your child will receive a math assignment. Please check your child's classroom calendar to stay informed on what lesson your child is completing.

**SOCIAL STUDIES:** In Social Studies, sixth graders will continue to examine the five themes of geography: Location, Place, Movement (of people and goods), Human-Environment Interaction and Regions. Students have started to learn about various economic systems throughout the world. This unit will also allow students to examine the United States role in the global economy. **Our Economics assessment is scheduled for Thursday, May 17. Review sheets were sent home last Monday.**

**SCIENCE:** In Science, students will begin learning about weather and climate. Throughout this unit, students will learn the similarities and differences between weather and climate and look closely at the effects that the ocean has on both. They are also expected to know about the atmosphere, geosphere, and hydrosphere as they relate to weather and climate.

**ENGLISH LANGUAGE ARTS:** We will continue reading the novel Tangerine by Edward Bloor in book club. There will be a vocabulary test on Friday. Students will also turn in their Research Papers this week.
