After School Meetings

Parents, if you are interested in discussing your son/daughter's progress, please schedule a meeting with us ahead of time. After school, we usually have students in our classroom who we have pre-arranged time with to assist them in their studies. We are finding it difficult to meet with them when we have parents stopping in unannounced. Thank you for your understanding.

Back Country Film Festival

This year's festival will be on Jan 27th. Tickets are \$10 and will help raise money for our new Sugar Shack! T-Shirts are also available for \$15 or 2/ \$25 and are in Mr. Kraly's office .

January 3rd Newsletter

Academically Speaking

In Language Arts, we are beginning our next class novel *Milkweed*. This book is about a young Jewish boy trying to survive in the Ghetto. Students have also begun their new small group novel book. These books are all historical fiction. Students should be keeping up with the required reading and responses for their group book. In addition, students should be reading a book of choice at home or throughout the day if they have time. Our hope is that students will find an additional 10-15 minutes during the school day and again at home to read their silent reading book. Silent reading book reports are due on the first day of each month.
