Food for Families

Food for Families is a local organization that provides meals and other food for families in need. Mrs. Ann Pfeifle is coming to speak to the 3rd and 4th grade students on Thursday, January 5th at 8:45 a.m. about the work this organization does.

It has been our tradition to learn about scarce resources and donate food to local food banks during this time of year. Many organizations participate in collections before the end of the year. We are collecting in January because this continues to be a time of need for many families and the food banks help to ease their burden.

We will need a few parents in February to help deliver collected food to St. Paul for distribution.

- * Student Led Conferences Week of 2-6
- * February 10 Valentine Celebration
- * February 13-20 Mid-Winter Recess/No
School

Student Led Conferences

We are making preparations for the upcoming student-led conferences, which will be held the week of February 6th. Students will be reflecting back upon the work they have accomplished and the growth they have made since the beginning of the school year. They will also be setting goals for the next semester. Look for a sign up sheet in the gym lobby later this month.
