BUTTERFLIES, AND CHICKENS, AND FROGS, OH MY!

We will be writing our pop-up books on the life cycle of the butterfly, frog, chicken or plant soon. Please send in any books you have on these topics. We would appreciate letting the students read them.

Halloween Celebration

The sign up sheet for the Halloween celebration is being sent home in Friday Folders. Please sign up to donate items or your time for the party and return the sheet to school. We will mark it down and return it to you. If we have duplicate items, we will notify you. We will post the sheet on our parent information board also. If you prefer, you may sign up on that sheet.

The party will be in the afternoon of Oct. 31st. We will let you know the time as soon as the Trunk or Treat and costume parade times have been decided. The parade will probably start around 1:30 p.m.

P.S. Please send in one large bag of wrapped candy per child by October 20th for Trunk or Treat. Thank you.

Field Study News

Due to the wonderful response for drivers, and the cost of parking (*Chatfield is paying for the parking and fees*), we are doing some car pooling. We have tried to carefully pair people up. We hope this is agreeable to all. ☺

Reading

October Reading Calendars went home last Monday. Thank you for helping your child keep it in a convenient spot that will help them remember to record their minutes.

Research shows that reading for long periods of time supports good study habits and learning stamina, as well as a life-long love for reading.
