

# Fourth Grade Gazette

## Game Day

Friday, November 18 is a **game day in math**. We are asking students to bring in games that are math related. Many games practice math skills, Chess, Yatzee, Monopoly, Battleship and others that involve strategy or number skills are good choices. The games can be sent in Friday morning.

## Friendship Fruit Feast

On Tuesday, November 22<sup>rd</sup>, we will celebrate Thanksgiving by having a fruit feast. We will be eating a fruit salad, made with **fruit sent in by each student**. The feast will help us celebrate friends and our friendships. The fruit salad is made of individual fruits, each different and unique. Together they combine to make a delicious new treat, which would be different if even one of the fruits were missing. Just like the fruits, each member of our classes is unique and special in his or her own way; missing one member changes us all.

We are asking that each child bring in one piece of fruit or a cup of berries on Tuesday, November 22<sup>nd</sup>. We will also need volunteers to cut the fruit up on that morning. **Donations of clear plastic 16 oz. cups and spoons would be greatly appreciated.**
