Annual Book Fair*

Words to Live By

By Sara Askew Jones

Healthy Benefits of Reading

Reading to young children at least three times a week increases the likelihood that their reading scores will be in the top 25%

Turn off the TV, and turn on togetherness by setting aside a family reading time each week.

Communication is important. Research shows that kids who hear their family's stories do better academically and make better choices when confronted with temptation.

Happy Birthday!

Kalee	December 14
Cole	December 19
David	December 27
Kielee	January 1
