Spelling News

Lifetime Word! favorite

At times the words that students misspell in their writing are the very words that they use most often. Lifetime Words is one way to encourage students to spell certain words correctly every time they write.

- Lifetime words are posted in the classroom. Students are to spell these words correctly every time they write.
- Each week one new Lifetime Word is added to the classroom list.
- As each new word is added to the classroom list, students should then add this word to a home list.
- When students turn in any writing, we expect that all Lifetime Words will be spelled accurately.

Special Book Order

Please take a look at the book order that went home on Friday. Scholastic is giving extra bonus points to order books for classrooms with this order. Orders are due on Sept. 16th.

Math

Students will be reviewing some important math concepts this week. Starting next week they will have homework almost every night. Parents are encouraged to check over the work, and help the students with any mistakes

made. Homework is corrected the next day. Please contact us if you have any questions.

LIBRARY

Fourth grade students go the library once a week, on Mondays. Students will usually be able to check out two books, and they are due the following week. If they want to keep the book an additional week they still need to bring the book in to recheck it for the extra week.

Happy Birthday!

Kassidi S. 9-12
