Snowmobile Safety: Saturday 10am-1pm.

## BIRTHDAYS

# 7th Grade News

**Chatfield School**

Week of November 28th, 2011

## Welcome Back!

### Report Card Envelopes

Please return report card envelopes signed by a parent to homerooms.

### Field Study

7th grade students will be going to view "A Christmas Carol" play at Meadowbrook this Thursday. The performance will be followed by lunch at BD's Mongolian Barbeque.

### Washington D.C.

Payment for November is due by November 29th.

### Fall Book Fair

The Fall Book Fair will be this week from Monday through Friday. 7th graders will have a chance to visit the book fair Monday morning. They should talk with their homeroom teacher about a time to purchase items during the week.

### Snowmobile Safety

Deadline for snowmobile safety class was last Tuesday. If you still want in the class please contact Mr. Kurtz ASAP. Class will be this Saturday from 10am-1pm in the Willows.

### JNHS Fundraiser

The Junior National Honor

Society is taking donations of "new" books for Joplin Schools. This district was chosen for the fundraiser due to the buildings lost during tornadoes in May. If you have any new books you would like to donate please donate them to the crate in the book fair hallway.

### Anti-Bullying Rally

Students in grades 5-8 will attend an anti-bullying rally on Tuesday, November 29th from 9-11am.

### Book Fair Dance

The book fair dance will be Thursday, December 1st from 6-8pm.

## This week's itinerary

### ELA

Students will continue reading in their drama literature groups. Books should be read along with question packets being completed. Field Study for A Christmas Carol play on Thursday in relation to our ELA curriculum.

### Social Studies

Students will continue learning about East Asia and its Economy in relation to the U.S. There will be a review on Wednesday over Chapter 15 and a test next week.

### Science

Students will be reviewing the water cycle. They will be graphing data. They will also be learning how to use a barometer and pressure in the atmosphere.
