Week of November 7th, 2011

Science Intensive Study Week!

Intensive Study

The Science Intensive Study will take place this week from Monday, November 7th through Friday, November 11th. Please be sure your child brings an extra set of clothes for the river activity they will be conducting.

7th graders Charity and Bella visiting a resident at Devonshire with Service Learning Exploration.

Picture Retakes

Wednesday, November 9th will be Picture retakes.

End of 1st Marking

Period

Friday, November 11th will be the last day of the first marking period. Students will begin a new exploration class next Monday. Report cards will be sent home with students on Friday, November 18th.

Parent-Teacher

Conferences

Monday, November 21st and Tuesday, November 22nd will be parent/teacher conferences. Conferences will be fifteen minutes and scheduled between 3:45 and 7:30pm. Please sign up for a time in the lobby. If you

are unavailable these evenings please contact Mr. Kurtz or Mrs. Block.

Snowmobile Safety

Deadline for snowmobile safety class is this Friday. Please turn in permission slip to Mr. Kurtz.

3rd and 7th graders conducting river experiment during intensive study

This week's itinerary

ELA

Students will continue reading in their literature groups. Books should be read along with question packets completed by Wednesday, November 16th.

Social Studies

Students will be studying the regions of Africa by conducting a presentation within groups. They will obtain information for their presentations through a web-quest completed in class this week.

Science

Students will be doing an intensive study with third grade this week everyday from 12:30-1:30pm. They will be put into four groups combining third and seventh graders and conducting experiments.
