7th Grade News

Chatfield School

Heading here

Potlatch

We will be having a potlatch celebration on Thursday, October 20th from 12:30 to 1:30. Students learned of the Makah tradition while reading the story *The Ghost Canoe*. We are in need of stew-like vegetables, salmon spread, and crackers. We also need parent helpers to make our stew! Please let us know if you are available to help out or provide for our potlatch.

MEAP

The MEAP testing will continue this week. 7th grade students will be taking the Math Meap on Tuesday and Writing on Wednesday.

Reminder:

Permission slips for our upcoming field studies need to be turned in ASAP! We will be traveling to Detroit's river front on October 26th and attending the play *A Christmas Carol* at Meadowbrook Theater on December 1st. Parent drivers are needed for both! If your child will not be attending either field study, please let us know as well.

Washington D.C. News

Last call for any student or parent that is interested in attending the Washington D.C. field study.

5k

Participants, volunteers, and supplies are needed for the 5k on Saturday, October 29th. We need cases of water, granola bars, pumpkins, and \$5 gift cards. Thank you to those who have already signed up to run or walk, volunteer, and for the supplies! They are greatly appreciated.

Trunk or Treat

A bag of candy with 50 individually wrapped pieces of candy are needed for the truck or treat. Also, spaces are available for trunk or treat.

This week's itinerary

ELA:

Students have finished reading *Ghost Canoe*, and will be celebrating with a potlatch on Thursday. Students will also have a grammar test and test covering *Ghost Canoe*.

Social Studies:

Students will continue learning about the government of Africa. Students will compare Africa's government to United States government.

Science:

Students will continue learning about heat transfer. Students will conduct experiments on conduction and convection.
