

Eighth Grade Newsletter

MEAP Testing

The 8th graders will be taking the MEAP test on Tuesday and Wednesday of this week. Please encourage your children to eat a healthy breakfast and get enough rest.

Washington DC

Please be sure to get your child signed up for the DC trip. If you missed the meeting, please have your child ask for a information packet. Sign up DEADLINE and first payments are due!

Fall Photo Fundraiser

All extra fall photo brochures are due back on Tuesday!

5K Run/Walk

If you have not signed up to participate in the 5K as a walker or runner, please do so! Encourage your child and friends and family to take part in this event on October 29th. We are also in need of donations for this event. Volunteers, water bottles, granola bars, gift cards for prizes etc. Please call Mrs. Block if you are available to help in any way.

Chatfield School Website

Please use the website to check for important school updates and find out the great things happening in our classrooms.

Weekly newsletters and The Chat are also posted.

Academically Speaking

In English, we are finishing up our whole class novel, *Breadwinner*. Students are currently reading their small group novels and discussing them weekly. We will be finishing our small group novels next week. At the end of their novels, students will be required to complete a book project. We will be handing out the guidelines next week.

In Social Studies, students will continue our study on the French and Indian War. They will also continue working on their brochures.

In Science, students are studying Chemistry. Students will continue to investigate chemical and physical properties of matter. This week we are focusing on the gas laws; Charles, Boyle and the Combined gas law. We will also be making our very own hot air balloon models.
