Homework Policy

We have had several students who are not turning in their daily math homework. At Chatfield math homework is assigned daily. It is expected that all students turn in homework on the following day. Students who are not turning in homework will be kept inside for recesses until all work is caught up.

Dr. Seuss Celebration

In honor of Dr. Seuss's birthday this week we will be having a celebration in the lower el on Friday. We will be doing fun learning activities in each classroom that are centered around Dr. Seuss. As always, parent help is appreciated. Additionally we will need a few items donated. Please see your child's teacher if you are interested in donating some items.

Plan Ahead

March 4th – Chatfield Science Fair
March 5th – Dr. Seuss Celebration
March 15th – Spirit Week
Last Friday of every month – Hat Day for \$1

Did you know that this newsletter and the weekly Literacy News is available on our website?

Elyn C. – March 31st

Wishing you a whale of a birthday!

Second Grade Student Spotlight

Jackson S. has been making a conscious effort with getting his independent math work done. Hard working, conscious students are always noticed! Keep up the good work Jackson!

Important Reminders

- Be sure to look over your child's planner each night and initial.
- Backpacks go into math closet while coats and lunches stay in lockers.
- Snacks go in cubbies.
- Study spelling words☺
- Dress for the cold weather!

This Week In The Classroom

Literacy

This week in literacy we will finish our Theme assessment and start a genre unit on biographies. **Please see the literacy newsletter for more information.**

*****Does your child dislike studying spelling words but love video games?? Visit www.spellingcity.com where students can play interactive games with their weekly words!***

Math

Thank you for going over math homework with your children. This is an important part of their learning! Don't forget to practice math facts.

Science/Social Studies

In Science we started exploring matter. We will be doing several experiments as we learn about matter.

In Social Studies we will continue with our economics unit.

Educational Websites

Quite a few parents were interested in websites for math activities. Here are a few to check out at home! Let us know what you think!
