

Chatfield School Staff and Faculty Professional Development 2019-2020 School Year

Michigan School Code calls for the board of each school district, intermediate school district, or public school academy to provide at least 5 days of teacher professional development. The Chatfield School has five professional development days built into the teacher school year calendar. Additionally, teachers have the opportunity to participate in professional development during the school year and throughout the summer break as requested or assigned by The Chatfield School. Below is a list of some of the Professional Development opportunities that our staff or selected members of staff have or will participate in during the 2019-20 school year.
