

April 16th, 2021

Dear 7th Grade Families,

We thank you for your understanding of our need to switch to remote learning. This communication is intended to inform you of our plans for 7th grade.

On Monday, April 19th, Chatfield students will begin remote instruction. We will be utilizing Google Classroom for lessons and assignments. There will be daily Math, ELA, Science and Social Studies lessons, instructions and resources posted on Google Classroom. Additionally, Explorations and Fine Arts teachers will also post daily assignments or projects to their Google Classroom to work on throughout the week. All assignments will be recorded in Skyward. We will also be holding Zoom meetings two times each day. Students should attend these meetings as we will be covering academic material during that time. The recordings of these meetings will be available on Google Classroom, should a student absolutely not be able to attend. The meeting times are included on our daily schedule that is on page 2 of this letter. ELA groups are posted on Page 3 of this letter. Finally, we are required to report attendance and communication we have with students during this period of virtual learning.

We appreciate your support from home. We'll work together to make sure that all of our students are able to stay on track. Students can email their teachers with any questions regarding assignments and we will also be available on Go Guardian throughout the day . If you have any questions regarding assignments, expectations, or Zoom, please contact your child's homeroom teacher. We look forward to seeing you virtually on Monday, April 19th. Again, thank you for your continued support at home.

Sincerely,

Bob Kurtz, Tracy Logan, Jenn Smith

Seventh Grade Teaching Team

# Seventh Grade Virtual Schedule

This is a virtual schedule for students who are able to maintain a daily schedule that is similar to a typical day in 7th grade. Throughout the day, Mr. Kurtz and Mrs. Logan will be using Go Guardian to answer any questions, and will monitor students as they are working on their assignments. **Students should adhere to all assignment due dates as if they were meeting face-to-face.**
