

# Seventh Grade Newsletter

June 1, 2026

## News and Events

**HELP!! Olympics/Tribal Wars is on Friday, June 5. Please support us by volunteering to help with the games and/or the food using the links below.**

**Tribal Wars Volunteer Sign Up [Games](#)**

**Food and table set up/clean up [Food Table-China](#)**

On Friday, please make sure your child has a water bottle (labeled with their name), sunscreen, and appropriate shoes for running and playing in the games. They may need a towel and a change of clothes as well.

Pictures from the Pure Michigan trip have been added to our photo album. You can access it here [7th Grade Photos](#)

Step-Up Day is Monday, June 8. Students will get their summer reading book and assignment, and a copy of the supply list for next year.

## Curriculum Notes

**ELA:** We will continue to read *Out of the Dust*, and write poetry. To finish up the poetry unit, we will have a poetry cafe where students will read aloud at least one of their poems. The ELA exam review guide has been posted in Google Classroom. The exam is on Tuesday, June 10.

**Social Studies:** This week in Social Studies, students will receive their review sheet and spend time working on their study guide and organizing their notes in preparation for the exam on **Tuesday, June 9.**

Students are allowed to use **one handwritten sheet of notes** during the exam. I encourage students to begin preparing their note sheet now and use class time wisely.

**Science:** Students are learning about several human body systems: what their functions are, and which organs belong to each system. The review guide for the science exam is posted in Google Classroom. Students are allowed to have one, hand-written page of notes (front and back) to use during the exam.
