Exams are next Wednesday and Thursday in the mornings. ELA and Science will be on Wednesday, and Math and Social Studies on Thursday.

Students will meet with the eighth grade teachers Thursday morning to get their summer reading assignment.

Please remind your child to check for library books, both from the school library and our classroom library. We have many books that need to be returned.

Curriculum Notes

ELA: Students will finish Out of the Dust and poetry. On Friday, June 9, each student will read at least one of their poems during our Poetry Cafe. Out of the Dust digital assignments will be due on Tuesday, June 6th.

Social Studies: Students will begin reviewing for the Final Exam. They will be allowed to use notes on the exam and will need to print their own notes to study. The exam review will be posted on Google Classroom Social Studies. It will be taken on Thursday, June 8th.

Science: We will wrap up our study of pollination, and then review for the final exam. The study guide was posted last week.
