

Chatfield Child Care New Protocol

Parents will need to complete the screening tool called MISymptoms for their child or children before checking in to Chatfield Child Care.

To access the online screening tool, go to misymptomapp.state.mi.us/login. You can do this from a smartphone or computer.

The first time you go to the site, you will be asked to create an account. Parents should set-up their account prior to August 24.

Here are the steps you will be asked to complete to create an account the first time you login:

- misymptomapp.state.mi.us/login
- Scroll to the bottom of the screen and select create an account.
- Type in your email address
- Create a password you will remember
- You will be asked to create a security check. A link will be emailed to the email you entered and you will be required to validate by going to your email account and clicking a link. (You may need to use a different web browser if you receive an error message)
- Sign in to your account.
- First time sign in you will have to provide demographic information including address and phone number.
- You will need to provide an employer address (231 Lake Drive Lapeer, MI 48446)
- You will also need to enter an EMPLOYER CODE 3715-9265 to ensure we receive notice that you have completed the mandatory assessment.
- Parents will need to show the “GREEN” go at Child Care check in before they may attend.

For families with more than one child attending Child Care, If any child in the family does not have a “GREEN” go report, all of the children should remain at home until no one in the household is displaying symptoms.
