- \*NO SCHOOL October 15th

## Curriculum Notes

**ELA:** In writing, students will share their personal narratives this week. We are continuing to read Red Scarf Girl. Students should use Google Classroom to access the assignments in ELA.

**Social Studies:** Students will be learning about the importance of the natural environment in the development of agricultural settlements in different locations. They will also be learning about the impact of the first Agricultural Revolution. These connections will be made during the Detroit trip.

**Science:** Students will be learning about particles by investigating the properties of gas to develop a particulate model to explain the invisible interactions that account for observable behaviors of gas.
