

Ecology Camp

Summer 2022

The Willows Ecology Center At Chatfield School

Explore one of the most amazing places in the world, your home. Nurture your relationship with the natural world and your community through fun, hands-on activities in the subjects listed below. The instructor is Peter McCreedy, a Lapeer native who loves mountain biking, swimming, and being in the woods. Peter created the Ecology Camp program in 1996 and loves working with students who want to learn about the natural and cultural history of Michigan. Questions can be directed to Peter, pmccreedy@chatfieldschool.org or 810-538-1741. Deadline to register is June 3. Registration is capped at 20. Above 20 will be added to a wait list. Confirmation will be sent via email after June 3.

Wild Edible Plants
Wildlife Biology
Fire Building
Natural Building

Aquatic Ecosystems
Earthen Ovens
Pioneer America
Survival Skills

Native American Technology
Gardening
Habitat Restoration
Flint River Watershed
